### *Note From Senior Warden*

*Dear Friends,*

*In the absence of a Rector, I thought I would use this space this month to communicate to you concerning where we are and where we are heading.*

*As you all know our Rector for the past twelve years, The Rev. Dr. David Robson has been offered and has accepted a disability Retirement package from the Church Pension Group. His recovery from this last surgery on his neck has been very slow and his stamina has not returned to what it has been in the past. He recognizes this and, I believe, he is at peace with his decision to accept disability retirement. As David likes to say, "My mind is telling me I have more to give, but my body is telling me no".*

*David has given us twelve years of his ministry and has worked very diligently for St. Andrew's. We will bid him a final farewell on Friday, October 6<sup>th</sup> with a service of Evensong, Communion and The Ending of a Pastoral Relationship. It should be a wonderful evening. Bishop Scanlan will be joining us. I hope to see many of the St. Andrew's family there as well.*

*As I write this article, I am preparing to present a candidate for Interim Rector to the vestry at the vestry meeting on August 15<sup>th</sup>. If all goes well, I hope to have an Interim in place very soon. This will lend some stability to St. Andrew's, as we move forward in the search process for a new rector. This process can take several months, so an effective Interim is a very crucial part in this process.*

*Interim rectors are specially trained clergy who come to parishes during transition periods to maintain the cohesiveness and the spiritual life of the parish. This is especially important in view of the length of time it takes to call a new rector.*

*My hope is that, as we move into this next phase of the search process, this unique and sacred family we call St. Andrew's will rally to the cause and show what we can do to maintain our wonderful spirit and the essence of what has made our parish so welcoming and friendly. We must continue the many ministries that we have been involved in over the years. We must continue to be involved as we have in the past and where necessary, step up to volunteer and participate in the life of the parish as needed, so that the life of St. Andrew's continues on in spite of this transitional phase we are entering.*

*In spite of the sadness in losing a good friend and pastor, this should also be a period of excitement and new growth opportunities for our parish. Let us all take this opportunity to look toward the future with excitement, hope and faith that St. Andrew's will emerge from this transitional period a stronger, more cohesive and spirit-filled community. We have been through this before and we can do it again.*

*Please keep our parish, your vestry as well as others who will be involved in this process in your prayers. I am always available to talk with. Anyone who may have questions or concerns, please do not hesitate to contact me.*

*Faithfully,  
Harry Snell, Senior Warden*

## *Music Notes*

### **COOPER ON TANNENBERG**

St. Andrew's Organist/Choir Master, Philip T. D. Cooper, has had a forty-year fascination with 18<sup>th</sup> century David Tannenberg organs which has led to his latest project: advisor on the finishing and restoration work of the 1804 Tannenberg organ at the York History Center (formerly York County Heritage Trust). As a teen, Phil listened over and over to an E. Power Biggs recording called "The Organ in America". About two-thirds of the recording was performed on the Tannenberg organ in York and, as Phil describes it, the sound of the organ itself just "captured me".

In 1980, the big 1787 Tannenberg organ at Lititz Moravian Church was being restored at James R. McFarland & Co. in Millersville where Phil apprenticed. Phil did a lot of research and documented his work on David Tannenberg's organs. This launched Phil into a career of performing on Tannenbergs and, when the Internet blossomed, Phil created a web page on the subject. He specialized in the music of Bach and his contemporaries who would have been very familiar with this style of organ, particularly Johann Pachelbel. Pachelbel taught Bach's oldest brother and Bach would have known Pachelbel's music well. The influence of Pachelbel and Bach on Western culture's music of the last three centuries cannot be overstated. Phil was a little surprised in 2007 when not much comment was made on the 300<sup>th</sup> Anniversary of Pachelbel's death. (Phil played an anniversary recital on a new 18<sup>th</sup> century style organ in Deerfield, Massachusetts.) By playing the music of Pachelbel and Bach on Tannenberg organs, Phil realized that the contemporary style of

organ playing that had evolved, a methodical and literal interpretation, was not the *right* way to play music from this period. He said, "The Tannenberg organs have been the best teachers I ever had. Pachelbel's music is very sweet and genteel and needs to be performed that way."

Phil said, "It has been a big privilege to work with these organs." His research, knowledge, performances and expertise with the nine existing Tannenbergs led to him being chosen as advisor for the York History Center, which will be moving their organ to a new museum on West Philadelphia and North Pershing streets in downtown York in 2019. Phil will be advising on the finishing and restoration of the organ and said it's also "vitally important how the *room* is designed." He looks forward to this project culminating in a big recital in the new location, saying "The [York 1804 Tannenberg] organ influenced me and now I'm privileged to be influencing this organ's history."

Philip T. D. Cooper plays a lunchtime concert downtown on the York 1804 Tannenberg at 12:15 p.m. at the Historical Society Museum on Friday, August 25th. He also has three CD recordings: Old Pennsylvania – German Organs Vol. 1 and Vol. 2 and The Central German Organ School. His website is:

## *Sunday School News*

St. Andrew's Episcopal Church  
of  
York, Pennsylvania

Dear Families,

I hope you have been enjoying the summer weeks in August. As school and activities begin to start up, I wanted to provide information on our Sunday School program so you have time to plan and place important dates on your calendar. Our Sunday School program is for children who are between the ages of 4-18 for the 2017-2018 school year.

We have a Godly Play program in place for students in preschool through fifth grade where students get a hands on experience of the bible stories with wooden props, sand, clay, and craft projects incorporated into the lessons.

Students in sixth through eighth grade complete a Rite 13 curriculum as the first part of the Journey to Adulthood Curriculum which continues through high school. The focus is on developing a child's

independence in his or her faith journey and a Rite13 ceremony is held to celebrate the transition from childhood to adulthood around the child's 13<sup>th</sup> birthday.

The subsequent part of the Journey to Adulthood curriculum is for students in ninth and tenth grade. The focus is on developing as adults in the church and culminates with a spiritual journey known as a Pilgrimage. Upon completion of the program, many students choose to become confirmed as adults in the Episcopal Church.

Following the pilgrimage and completion of the Journey to Adulthood program, students in eleventh and twelfth grade join the group of Young Adults in Church known as YAC.

Join us on **September 10<sup>th</sup> for our Potluck Breakfast at 9:30 AM** to kick off the start to a great year. Donuts, juices and coffee will be provided. Please bring breakfast items to share with our congregation.

**Registration will be available from 9:30-10:30 AM with Sunday School classes beginning at 10:30 AM on September 10<sup>th</sup>.**

The Choristers Program is our children's choir headed by Phil Cooper, Organist, Choir Master. On September 10<sup>th</sup>, the Choristers will be singing with the adult choir for the 10:30 service. If you have any interest or questions about our children's music program, please contact Phil at [philtc@yahoo.com](mailto:philtc@yahoo.com)

Stewardship Message

**"All things come of thee, O Lord, and of thine own have we given thee."**

Summer is ending; school and sports programs are beginning. Hot weather is ending (I hope) and cooler temperatures beginning.

St. Andrew's will be saying farewell to Father David at a special October 6<sup>th</sup> service and our church will be beginning a search.

I'll begin teaching another Sunday School class this fall and also take over from Dan Rooney as chair of the Stewardship Committee.

Dan's faithful service has impressed me since I began coming to St. Andrew's so filling his shoes is an intimidating task.

I always particularly remember Dan saying we should always give *joyfully* of our time, talents and financial support and

I couldn't agree more.

One thing I love about the St. Andrew's family is how generously and joyfully everyone does give of their time and treasure here.

**We support so many missions that touch people's lives!** We feed people at Our Daily Bread Soup Kitchen every month with chili and Liz Noel's incredible supply of baked goodies. We feed Phineas Davis children at monthly All-Pro Dad's Breakfasts and the Halloween party.

We have bowling and golf fundraisers for other non-profit groups and we send our youth on a biennial mission trip.

We provide backpacks and summer gift bags to York City students, Christmas gifts to Bell Shelter homeless families, and support the elderly in the Shippensburg Episcopal home.

And we have so many volunteers within our building who abundantly give to make coffee hour, potlucks, building maintenance, office work, altar cloths and communion, flowers, bulletins, Sunday School, yard work, music, youth groups, and committee work happen *every single week*.

At St. Andrew's, we do a fantastic job of celebrating God's generosity to us inside and outside our church.

So, *thank you* for your joyful giving and generosity. Let us continue to prayerfully consider how we can share the blessings from God in our lives

through our mission at St. Andrew's and with our church family and our community.

God's peace, Lynne Kearnan

Thanks!
